Q. Alongside Charley Hull, a winner here back in 2016. Back in the hunt again with that 66 today. How would you describe the round?

CHARLEY HULL: Yeah, I played pretty solid all day. I felt like I got it going and feel quite confident round this golf course.

My game is in a good place and look forward to tomorrow.

Q. Knowing you're so confident on this golf course having won here before, you're just a few back of the lead right now, what's it going to take tomorrow to give yourself a chance?

CHARLEY HULL: Yeah, just carry on going out there, be aggressive, make some birdies, hole some putts, and just go out there and have fun.

Q. With such a huge check on the line tomorrow, \$4 million going to the winner here, how do you handle the pressure of knowing that's on the line?

CHARLEY HULL: You don't really think about it too much. Obviously it's a very nice paycheck thanks to Terry Duffy. You just go out there and play golf and you want to try and get the win. The money is like a bonus.
