Quick Quotes

Q. Here with Charley Hull after the third round. Just walk us through your round a little bit. Several birdies on the scorecard today.

CHARLEY HULL: Yeah, played pretty solid all day. I was quite confidence going out there. Kind of had a good start getting two birdies to begin the day. Yeah. Just felt like I played solid.

Shame I missed a birdie putt on 17, but I just hit it for the break, and nice to finish up with a birdie on 18.

Q. How have you enjoyed putting on these greens this week?

CHARLEY HULL: Yeah, it was really good. Obviously last week was a test because the greens were so fast. Usually when I come to this event I think these greens are super fast, but after last week they don't seem as fast. It's quite good. You can be quite aggressive on the putts and they're rolling nice and smooth.

Q. Wind conditions the past couple days keeping you patient?

CHARLEY HULL: Yeah, definitely. It wasn't really windy out there today. Quite scorable. No, it was great fun.

Q. I can't help but wonder you had any bets going on. You were on the phone out there.

CHARLEY HULL: No, I didn't have any bets going today. I was just looking back. Just few things have happened at home. Gatwick Airport with a bomb there yesterday morning. That was pretty freaky. I flew out of there last week to Tampa. I'm flying into Heathrow, so shouldn't be too bad. I was just panicking.

Q. Do you think the money will pop into your mind at all tomorrow while you're playing?

CHARLEY HULL: No, not at all. I don't play golf for the

money; I play golf for the trophies. I just want to go out there and win no matter what the paycheck is. Obviously grateful for it being \$4 million.

But I want enjoy it out here. I won round here before, so just go out there and feel confident.

Q. What is it about chasing that really, I don't want to say tickles your fancy, but keeps you locked in?

CHARLEY HULL: I feel like it's way for fun. You can go out there and make birdies and you feel more relaxed. But, yeah, just looking forward to it. Literally can't wait. About to go have a steak. I'm absolutely starving, so I'm going to have to go guys.
