**Q. Looks like a fourth consecutive top 10 finish here for Nelly at the CME Group Tour Championship. You said it's not always how you start but how you finish. That's what is important. How would you assess how you finished out the season?**

NELLY KORDA: Yeah, I'm proud of the myself and proud of the entire team. Definitely wanted to play a little better out here this week in front of my friends and family, but proud of the way I played this year.

Proud of the fightback that I also had today, yeah.

**Q. Plenty to be proud of. Seven victories; Rolex Player the Year. Looking back you immediately start to smile. What's the highlight of the year for you?**

NELLY KORDA: Honestly not even golf. It's becoming auntie to Greyson. Seeing him grow and seeing that bond him and Jess share and her family, it's been amazing to see. Puts life in perspective, and makes life a little bit more fun knowing we have people at home cheering us on and have a smile on our face no matter how our day went.

**Q. What does the off season look like for you? Will we see you tee it up at all?**

NELLY KORDA: Yeah, I'll see you guys soon at Grant Thornton Invitational and the following week with my dad at PNC. Going to put the clubs away for a few days and just kind of reminisce a little on the season.
