GRACE KIM: Yeah, I think you're right. Some tees are back. I think that just changes it a little overall, because the gettable birdie holes just become three-shot par-5s but you've still got (indiscernible)

But, yeah, making sure I keep it solid with my club position. And I felt good over my putts today, so, yeah, I guess just keep going with that.

**Q. So you have one of the best finishes of the year every that I've seen in a major championship at Evian. How does that change maybe your mental game going forward for a tournament like this? I know it's a big season-ending tournament and confidence is a big things, so how does something like that help?**

GRACE KIM: I think this season finale, everyone looks at it as a major already. So making sure you do the right preparation for the tournament.

(Indiscernible.) So taking chances.
