**Q. Brooke Henderson producing some major fireworks there on 18. I asked her how far that putt was. She said about 15 paces. What was the key to the solid start today?**

BROOKE HENDERSON: Yeah, I'm really happy to shoot 4-under today. I had a great group. Grace is playing awesome. It was great energy and it was fun to be a part of that.

Definitely a bonus on 18 there to drain that long one. Hopefully just continue the momentum the next three days.

**Q. Talked to Allisen Corpuz earlier today. She said she felt like the more she's played this course the friendlier it's become as she's learned more about it. You have played here every year since 2015. What have you learned that can help you this week?**

BROOKE HENDERSON: Yeah, I really love this course. There is definitely a lot of birdie opportunities. Some holes pars are good and you keep that mindset, make where par, and move on and attack the holes that you can.

Yeah, I love playing out here for this event and Grant Thornton as well, so I always look forward to it.

**Q. Been here so many years. This is one of those events you've really wanted to win throughout the years. Why is this one so important to you?**

BROOKE HENDERSON: Yeah, haven't done it yet but hopefully it's coming sooner than later. This is the event everyone want to be invited to at the start of the year. This is what we work really hard for is to get the invite to play here. I'm really grateful for the opportunity every year since 2015, and hopefully sooner than later my time will come.

**Q. I can't believe you've been out here that many years. Best of luck.**
