**Q. Yeah, here alongside the winner here at Tiburon Golf Club in 2019. I asked Sei Young Kim if she likes this course. She said, yes, of course I do.**

Bogey-free start to the day. How would you describe the round overall?

SEI YOUNG KIM: Yeah, I play quite solid today, bogey-free and I play with A Lim Kim. She's one of the very funny players.

Yeah, we play very have fun on the course, so yeah, I play quite relax on the course. Yeah, I'm very satisfied today.

**Q. Plenty of reason to be. It's been a few years since you won here. How have you seen this golf course change throughout the years?**

SEI YOUNG KIM: Yeah, when I play the practice round teeing ground move back couple holes so definitely way longer than last year. Like couple years -- when I won CME, 2019, I feel like longer than that year.

So it's feel like a little bit different golf course, yeah. Good strategy though.

**Q. You've had some big weeks recently; getting back in the winner's circle for the first time since 2020; another Top 5 finish that. How would you assess your game overall coming into this week?**

SEI YOUNG KIM: I mean, couple weeks ago I played Asian Swing so I won the BMW. That's a long -- that's been a long time, so I waiting for long time the win. So after the win I got the more confidence so I feel more relax on the course, like more enjoy on the course.

So, yeah, I love to play golf anyway. Yeah, that's the big deal, yeah, big things.
