Quick Quotes

Q. All right, joining me here today after the second round the CME Group Tour Championship is Haeran. You had a strong round today. First two rounds been in the 60s. Could you talk about what's going well?

HAERAN RYU: Yeah, finally I know how can I play the Florida golf courses. Yeah, my distance is a little further than last year so that's why I'm playing more easier than last year.

It's pretty good for me.

And then, yeah, now is a little bit know how can I read green grain and the lie, and that's why I make a little bit more birdie today.

Q. What is about the Florida golf courses that plays so differently?

HAERAN RYU: I think here is grain is much stronger another golf courses, and it's a little bit windy and every iron shot is a little bit stop for the grass, so that's why Florida golf course is a little hard.

But now it is three years I'm playing in LPGA Tour and I just learn to how can I play well.

Q. You're still in contention heading into the final two rounds. What are you going to be focused on?

HAERAN RYU: Here is weather a little bit hot, so I just want to little cool down on the golf course and then I just want to little more sensitive for the read the lie for the grain.

So I just want to more keep patient and just play, enjoy on the golf course.
