Q. Yeah, 67 from Minjee Lee. Pretty solid today. Even when you came off today a little bit of a shrug. Thought it could have been better out there. What did you feel like I left out there?

MINJEE LEE: I had a rally great front nine and just didn't take too much the momentum into the back nine.

Hopefully I can clean my shots up a little bit and hopefully have a great weekend.

Q. This is your 11th appearance here at the CME Group Tour Championship. You know the conditions. You know the setup. What do you expect will be the biggest challenge out here this weekend?

MINJEE LEE: I mean, we were talking about it before, but a lot of birdies are out there and the condition of the golf course is really good. So I think right now probably the greens are a little bit softer than what we played last year, so I think we can be a little more aggressive with our shots and the greens are always pretty pure.

I think it will be a bit of a birdiefest.

Q. You played nearly flawless golf through 36 holes. Gave up one bogey; didn't miss any fairways. What has been a key for you in being able to minimize mistakes?

MINJEE LEE: I think obviously missing them in the right spots. Didn't really short side myself too many times over the past two days. Hopefully I keep it that way.

Yeah, I think just missing it in the right spots, and when you have a birdie opportunity try and capitalize on that. Yeah, just pretty much stick to my game plan and hopefully it's good enough to have a great weekend.
