Q. Brooke, how would you assess your overall game through the first two days?

BROOKE HENDERSON: Yeah, feel like I'm playing solidly, which is really nice. Making some birdies. Rolling in a few putts too, which is always nice to see.

I'm happy to be in the mix. Hopefully gain a few shots tomorrow, but just really excited for the opportunity to be here and looking forward to the weekend.

Q. You've put yourself in position here before. Played really well here at this championship. What have you learned from those experiences that can help you here the next two days?

BROOKE HENDERSON: Yeah, absolutely. I played this course a lot times and I've been fortunate to be in the mix in past years. So just trying to lean on that experience a little bit. But also knowing that there is a lot of birdies out there and knowing that the leaders are going really low and have to take a good day to try to catch them.

Q. Speaking of that, you said you can be aggressive in certain areas around this golf course. Where do you feel like you'll be able to do that?

BROOKE HENDERSON: Yeah, hopefully every hole. Maybe not every hole. Yeah, just going to be trying to attack some pins tomorrow. I think the Par-5s here are really gettable for most people, so try to be up and around them in two and see if we can maybe chip in for eagle or something.

I think it's going to take something special to climb the leaderboard.
