## Pajaree Anannarukarn

### Quick Quotes

**Q. Okay, here with Pajaree after her second round at the CME Group Tour Championship. Solid round today to move up near the top. What are your thoughts on today's round?**

PAJAREE ANANNARUKARN: Same as yesterday. Try to do my best out there and just enjoy to be here. You know, enjoying the moment.

**Q. This is such a high stakes level tournament. Only the top 60 get into the field. Is there any way you prepare mentally knowing there is a lot on the table this week?**

PAJAREE ANANNARUKARN: I think it's just the same as every week to be honest. I think I've seen a lot of girls out here every week, so I think it's just, again, try to focus on what you can do and just try to focus on your game.

Like I said earlier, I think there will be a lot of girls that going to go low and they're going to play well this week in and week out. I think we're just here to like try our best. That's all I focus.

**Q. And coming in, I believe you were near the bottom as well. Got one of the last few spots in the field. What were your thoughts going into that as well? Were you nervous?**

PAJAREE ANANNARUKARN: Yeah, I mean, I feel like I did everything I could and I really, really happy with how I've been playing, so whether I get in or not I'm still going to take a lot of positive things away from this season. Again, just happy to be here. Even though it's going to finish right on the 60.

Again, I did everything I could. Here I am.

**Q. And how much more maybe grateful does that make you for this week to have the opportunity to be here?**

PAJAREE ANANNARUKARN: Yeah, I feel really grateful because, again, I put in the work, I tried -- I just try to do my best out there and whether what the result going to be I just going to accept it and I'm really pleased how it's been going.

**Q. We only have a couple more rounds for this season, too. Do you have any other fun plans ahead? Have you already looked to the offseason?**

PAJAREE ANANNARUKARN: Yeah. Obviously one more week here and then looking forward to the holiday back home in Thailand. Couple trip with my friends and my sister trip in Hong Kong. So looking forward to that.
