how many under par.

But like always seeing her, you know, she's playing on Tour for a while and then she always an incredible player to play with. Yeah, I just really have fun. We just battling out with birdies out there today.

Q. Jeeno, we have just marveled these two days at how effortless you have make it look out there. A bogey-free 63 today. You told me yesterday you didn't have any complaints about your round. How would you assess today's play?

JEENO THITIKUL: Better than yesterday for sure. Still had no complaint with like a bogey-free and then nine birdies, so I'll take it.

Q. You told me yesterday you suffered a right wrist injury preparing to come out here and play this week. How would you describe your pain during the round today?

JEENO THITIKUL: I think it's good. It's almost like 100%. I don't think I feels any -- you know, it was bother me today on the swing pretty much.

So it's good. Hopefully next two days going to be like this.

Q. You're taking a nice lead into the weekend here. We've seen a lot of low scores not only here but in year's past. How do you approach the final two days of this championship?

JEENO THITIKUL: As I always say, all the winners here, the score like 20-plus something which is really low scoring. So we had nothing. We just need to make more and more and more.

Q. It was so fun watching you and Sei Young Kim out there today. Combined you two were 12-under.

JEENO THITIKUL: I know, right?

Q. She said how fun and amazing it was to play with you. How would you describe the day?

JEENO THITIKUL: I think every time I play with Sei Young we always combine like a lot. I think the last time play with her it's in FM and then we both like shooting I don't know

... when all is said, we're done.®
