Q. Joining me today after the final round of the CME Group Tour Championship is Hye-Jin Choi. You had an ace today. Can you take us through it?

HYE-JIN CHOI: Yeah, I had ace on No. 5. It was like 170 meter and I hit 5-iron. I hit really good, but it looks really straight to pin so I thought like, oh, it's really good shot. I didn't watch it like finish, but it was in so I really happy.

Q. Was this your first hole-in-one on Tour?

HYE-JIN CHOI: It's my second on Tour. Like I have my -- I have one rookie year, yeah, so it's my second one.

And I play with Steph, but she make hole-in-one, too, so it's incredible day. I can't believe it.

Q. Yeah, what was your reaction to seeing Steph get one three holes later?

HYE-JIN CHOI: Yeah, it just -- we do just high five and we say, oh, it's not true, like we can't believe that. It's crazy, yeah.

Q. And every time that a player makes a hole-in-one on Tour CME Group donates \$20,000 to St. Jude.

HYE-JIN CHOI: Yeah.

Q. How does it feel to contribute to that?

HYE-JIN CHOI: I really appreciate. Honestly really like good opportunity to me, so I really like it.
