Q. That was a great round. 66, tied best round for the day. You were about two inches from a 65 on the last hole. How did that round feel to you?

NASA HATAOKA: Yeah, I'm happy, really happy of that result today. Yeah, I was really stay aggressive and really happy.

Q. With that win just recently, how is that a confidence booster for this week? It's the last week of the year for the LPGA I just found out.

NASA HATAOKA: Yeah.

Q. But for you to go in here and just get some more energy going and some confidence, how was that coming off that week?

NASA HATAOKA: Yeah, especially after AIG was big confidence on my game this year. I won TOTO, so...(indiscernible.)

Q. Yeah, amazing. Congratulations for that again. Also, this was not your last event of the season. You're going to play next week, which is a major on the JLPGA. So you've got one more push.

NASA HATAOKA: Yeah.

Q. How much energy you have to left in you?

NASA HATAOKA: Yeah, I have decided last week. And then, yeah, I'm playing really good so hopefully I will get win again.
