Quick Quotes

Q. Out there today 4-under 68. Are you a more cold, wet, windy player, or was it just a really good day?

PAJAREE ANANNARUKARN: It's a good day. I mean, it's just really tough to play in this kind of condition, but I really try to lock in, trying to stay focused, and try to just one shot at a time. Just really focusing on each shot.

It worked out pretty good today.

Q. Golf course like Lake Nona, how different did it play out there today?

PAJAREE ANANNARUKARN: Different. So yesterday was a lot warmer than today. Obviously the course play long and I think it just -- you know, I was lucky that I drove the ball very well off the tee, so, you know, I knew if I give myself more chances on the green then I think that's going to reduce a lot of mistake.

And, you know, try to stay in the fairway. If you end up in in the rough it's a bit tougher, especially in this condition.

Q. What positives have you seen so far from these first three days that you'll carry with you into the rest of the season?

PAJAREE ANANNARUKARN: Oh, it's like for school, first day of school back and trying to get, you know, the feel and stuff. Just really try to learn as much as I can.

It's just great to be back obviously, and, you know, from during the off-season I work on some thing, especially in short game or driving. I just wanted to see how it goes with it and it went pretty well.

So just really focusing on what I can do. It's just the first week and I feel like trying to do my best out here.
