## Brooke Henderson

### Quick Quotes

**Q. 4-under bogey-free 68 for Brooke Henderson today. You said you lost your Canadian roots, but doesn't seem like it. How did you play out there today?**

BROOKE HENDERSON: It was a really fun day playing with Joe Carter and Jeremy. It was a lot of fun. It felt like an honor to be able to play with them, which is pretty cool.

To go out bogey-free today when the conditions were a lot tougher than the last two days, I think we just played smart lines and was able to get up and down when I needed to.

For the most part I feel like I gave myself a lot of birdie opportunities, which is what you're rally looking for on any day, so especially on moving day it was nice to see.

Would've liked to climb up a little bit more on the leaderboard. A little work to do tomorrow, but I'm excited for sure the opportunity.

**Q. How different did this golf course play from the first two days, even in practice to today when it's wet, cold, chilly?**

BROOKE HENDERSON: Yeah, very cold, very windy and wet. I haven't played in the rain in a long time. In the off-season I choose not to play in the rain, so a little bit of an adjustment.

But overall I feel like Brit really helped me out on those holes and she did a great job. Caddies kind of like need eight hands at that point, and she did a great job.

**Q. How many holes did you get the rain today?**

BROOKE HENDERSON: I would say maybe around six holes. That's kind of a guess, but it was just enough. Then the rest of the day it was kind of you thought it could happen at any point.

**Q. What is the sense of accomplishment on a tough**

**day like this getting through bogey-free?**

BROOKE HENDERSON: Yeah, I'm excited. It's nice to have any blemishes on the card. Like I said, I gave myself a lot of birdie opportunities for the most part, which is exciting.

Going into tomorrow I'm excited to be close to the top of the leaderboard, and hopefully I can just make a lot of birdies and see what happens.

**Q. Was there a highlight among the birdies?**

BROOKE HENDERSON: I think the par-3, 13; that's a really tough hole. To get one there is a little bit of a bonus.

And then I was able to get one of the very next hole, too, so a little bit of momentum there, which was fun.

**Q. When you go to the disco in Smith's Falls is it this loud?**

BROOKE HENDERSON: (Laughter.) No.

**Q. Did you hear the fans singing, Oh Canada on 14?**

BROOKE HENDERSON: I did. It was awesome. I felt a little bad for Jeremy because they did it while he was putting.

It was really awesome. There is a lot of Canadian fans out here and a lot of fans just from America, too, cheering me on.

So it's been really cool, and hopefully I can give them lots to cheer about tomorrow.

**Q. In terms of how you feel about your game plan, this is the first event of the season, which is obviously a very long season, but how do you feel about your plan and how you're executing on that plan through three rounds so far?**

BROOKE HENDERSON: Yeah, I feel like it was a productive off-season and I'm excited to be back somewhat in contention. With a solid round tomorrow I can really make a charge, which is a great feeling.

I'm just really excited about the opportunity to be playing well on the weekend. First three days have gone really well, so hopefully I just make a lot of birdies tomorrow and make a lot of putts.
