Quick Quotes

Q. Here with Nelly Korda. I know tough day out there. Just assess the week over all. Had to have some positives.

NELLY KORDA: Yeah, for sure. I struck it pretty bad all week but my short game saved me, so that was nice. Overall, you know, I didn't play very good but I'm going to take some positives away from this week, and hopefully I can kind of take it into the next two.

Q. Next two kind of home games, which is nice. Hopefully warmer weather. How difficult was it out there today in this cold?

NELLY KORDA: Yeah, I was freezing. I always get colder than it actually is. I've always said that. That's why I stay away from tournaments that are always in the cold because I struggle so much in it. I don't know why. I feel so stiff.

Something I just need to suck up and mentally trick myself. But, yeah, I struggle in the cold.

Q. What positives are you taking into the rest of the Florida swing?

NELLY KORDA: It's my first round this year, or first tournament this year and I finished in the Top 5, so at least I can take that away.

I chipped it well and hit some pretty good shots here and there, so I'm going to take that away from it. I was in the final group again on Sunday, so I'm going to try to learn from that again.
