of CHAMPIONS

Q. Here alongside Brooke Henderson. Hard to believe she started the day six strokes back. What a run you made up the leaderboard today. What was the game plan?

BROOKE HENDERSON: Yeah, it's playing really tough out here, very windy and cold, especially when I was teeing off this morning.

To get it to 4-under, double digits, I'm really happy about that. It was a fun climb. Looks like Lydia is playing great but, it was really nice to sneak up that leaderboard a little bit.

Q. Been fun watching you two chase each other on leaderboards throughout the year. Might come up a little bit short here, but how would you describe the overall experience this week?

BROOKE HENDERSON: Yeah, well, first Lydia, I've always really looked up to her. Always a lot of fun when we can be in contention together and top of the leaderboard. It's really fun.

This week is such a unique and special week. I loved playing with Whit and Aaron today. It's a blast out there. Get to go meet all the different celebrities and getting to learn from them was cool.
