## Amy Yang

TV

**Q. This Amy shot a 69 today to make a nice jump up the leaderboard. You were telling me how much fun you had with your celebrity playing partners. How would you describe the overall day?**

AMY YANG: It was a great day with them. They were super nice people, super nice guys. They were also very good players so I felt like I was competing against them. You know, so having fun, talk here and there. Yeah, it was good.

**Q. You told me you were here throughout the offseason, put in a lot of work. Obviously it's paying off early here. What did you work on ahead of the new season?**

AMY YANG: You know, I think my putting was weakest part last year, so I worked on my putting and just put a lot of work and try to apply what I've been prepared today and just happy to see some good rolls.

**Q. We're expecting much different conditions this weekend. Definitely was not warm like when you won your major championship at Sahalee. How do you feel about the colder temperatures? Is that a condition you like to play in?**

AMY YANG: Not my favorite, but I'll be very prepared, dress warm, and get some heat packs, yeah.
