### Quick Quotes

**Q. Here with A Lim Kim, defending champion this week at Hilton Grand Vacations Tournament of Champions. Put together two solid rounds. Talk a little bit about how your play has been.**

A LIM KIM: Yesterday really surprised because greens so fast. It was really fast. So yesterday I made read mistake a lot, but today is better than yesterday but shot little bit wider.

Yeah, that's golf. I have two more days, yeah.

**Q. Do you remember the greens being this fast last year?**

A LIM KIM: Yeah, more faster than last year. Last year only Saturday and Sunday getting faster, but not same as that, so really impressive.

**Q. And as you've been walking down the fairways and on the greens, have you thought back to last year and your win, or no?**

A LIM KIM: I tried. (Laughter.) My memory is really great from here, so really appreciate it.

**Q. And I think everyone remembers, too, after you won last year you had a great fist pump and reaction.**

A LIM KIM: Yeah.

**Q. Do you still remember that?**

A LIM KIM: Yeah, I remember, I remember. And then at the time, too much (indiscernible.) Feels so good.

**Q. And your pre-tournament press conference you talked a lot about improving your game within 30 yards and around the greens with AimPoint. How do you feel that's been going the past couple days?**

A LIM KIM: Yeah, so far so good. Before the tournament I really worry about that because feel like beginner.

But during the tournament is better than practice, so I really wonder after that tournament, so, yeah, coming soon really great day.

**Q. Have you looked at the numbers at all or waiting until after you finish to look at the data?**

A LIM KIM: It's good. It's every data is better than last year, so I promise better than last year.
