But I'm also looking forward to the rest of the year and the challenge that is going to come with it, missing my best friend out there, but I'm really happy for her and Zach and excited to be an aunt, too.

**Q. Well, the cold weather no match for this Canadian duo. Brooke Henderson with one of the low rounds of the day. Brooke, in some challenging conditions. How would you describe the overall round?**

BROOKE HENDERSON: Very happy with how today went. It was nice to make a bunch of birdies and get things rolling again.

Feel like Brit did a really good job with all the numbers today and getting good distances because it was really difficult with all the different factors.

But very pleased with 6-under, and hopefully do something similar tomorrow.

**Q. Brittany, congratulations are in order as you're expecting your first child; last tournament with Brooke. What has made you two such a great team through the years?**

BRITTANY HENDERSON: I think we just know each other so well. Grew up together, playing golf together. I feel like we just know each other inside and out.

I don't know, I think just having the same background and having all that trust in each other and thinking about the game the same way really helps.

**Q. It's been fun watching you two through the years. What will you miss most about not having your sister on the bag in the months to come?**

BROOKE HENDERSON: Pretty much everything I think Brit said it. We're together all the time, basically 24/when we're out on the road, and definitely going miss my travel partner and having somebody out there that I believe in so much and have so much trust in.
