AT GOLDEN OCALA

**Q. Patty, how do you feel after round one here at Golden Ocala?**

PATTY TAVATANAKIT: Pretty solid. I hit a lot of good shots. Putts were dropping. Greens are firm, so I left you know, a couple of green in regulations out there. Didn't hit as many greens today, but overall a solid round.

**Q. How is the course playing? I know there are some tribute holes out there.**

PATTY TAVATANAKIT: Yes, it's playing pretty tough with putting. With putting, just reading the greens and stuff it's not as clear. And it's new greens so there are a lot of uncertainties out there.

Overall it's a pretty wide course. It's gettable but it's really tough to hit it close just because of how firm the greens are.

**Q. From last week over to this week your game is really strong. Was there a particular goal you were looking forward to for this week?**

PATTY TAVATANAKIT: Just I want to hit as many good shots as I can. Hopefully a nice finish again would be nice. First two starts of the year getting a good finish would be great, help a little bit.

But other than that, just want to keep focusing on what I need to do on the course to stay sharp and just to take it shot by shot and not getting ahead of myself.
