### Quick Quotes

**Q. (Wind interference) 65. To us watching it seems so effortless. Does it feel effortless to you when you shoot a number like that?**

CARLOTA CIGANDA: Today I played great. I think playing golf is never a promise. I think always have to grind. And, yeah, hit some good shots. Yeah, I feel comfortable since yesterday.

CARLOTA CIGANDA: I love Terry. I think he's one of the best guys out here. He's peaceful, calm, and I really like

that. All the experience and all the tournaments that he's won, I mean, he (indiscernible).

So, yeah, we are back together. I'm very happy. I do want to send a (indiscernible - machinery) because he had heart surgery last I think two, three weeks ago and he's recovering, so hopefully he's doing better.
