Quick Quotes

Q. You said you came here this week to get some reps and warm up. Are you warm now?

INBEE PARK: I'm actually really cold right now. Yeah, but I actually, yeah, it was a great week this week. It was my first week back out in three months or so, and I played so good. I mean, I couldn't believe how I was doing out there this week.

And like I said, I thought this week was just kind of a preparation for next week, but I exceeded so much more. I'm just really happy that I played well this week.

Q. Of your 21 wins, this is your first ever truly wire-to-wire victory. Is there a different kind of pressure playing the final round...

INBEE PARK: Yeah, you know, I really thought that I felt some pressure today, especially the back nine when I kind of knew that I had a little bit of cushion, but I still felt some kind of pressure somehow. I don't know why, because I knew that I had quite a bit of cushion.

Yeah, felt some pressure and made a couple mistakes. But 16 eagle is obviously a great eagle that really had a big relief for me.

Q. 21 wins, tied the late Marilyn Smith for 25th in all-time wins. Now, you're only four behind Se Ri Pak as the winningest player in the republic of Korea. How big a goal of is that is yours?

INBEE PARK: Well, you know, she's somebody that I always looked up to when I was growing up, and obviously she's always big in my heart. Trying to follow her footsteps is always a great thing. Really happy that I'm getting close.
