Quick Quotes

Q. All right, Brooke, a solid day out there, a 4-under. Way to start your day in Hawaii. How are you feeling after the first round?

BROOKE HENDERSON: Yeah, it was really windy out there this afternoon, so to get the 4-under, I was really happy with that. I felt like I gave myself a lot of good looks for birdie, which is exciting, especially in those conditions.

I feel like I could have been a little bit better, so hopefully tomorrow I can make some more putts.

Q. I know those winds, once they get up there, I feel like this is a gettable course. How much different do you think it's going to be in the morning without maybe some of those gusts?

BROOKE HENDERSON: Yeah, this morning I don't think it was very windy for the morning group, so I'm hoping to get something similar tomorrow with really scorable conditions.

Course will be a little softer, hopefully less windy, and if I can hit the ball like I did today, give myself lot of chances, that's all I can really ask for.

Q. I know how much you liked playing at Ko Olina. Do you feel yourself getting more comfortable here at Kapolei?

BROOKE HENDERSON: Yeah, I think I just love Hawaiian golf. I really like this course, and I feel like if I can just continue to hit quality shots, I might love this course, too.
