## Inbee Park

### Quick Quotes

**Q. Inbee, nothing like a final day 63. How are you feeling after four days here in Hawaii?**

INBEE PARK: Well, I really enjoyed here in the paradise, and obviously 63 on the final round really helps.

Birdieing last three holes was just a great finish, just nice way to just end the week.

**Q. Nice way to end the week, but you also just in general were on fire this entire week. What do you think really picked up the momentum? I want to say around the third round is when we saw it come into play.**

INBEE PARK: I thought after the first one I shot 1-under and I like 70th and I thought I really need to play well to make the cut now. The course was just really scorable, and I didn't feel the course was that scorable, but I was just looking at the scoring and really -- that really got knew confidence up actually.

I just thought that if everybody is making this many birdies I think I can too. So, yeah, the three days I played really good. Just except for the -- minus the first day. If I could have start little bit earlier that could've been really nice. Yeah.

**Q. Overall what kind of confidence does this give you heading into L.A.? Again, an impressive string of results here starting at your win at the Kia Classic. I feel like every single time I've talk to you you've said, Oh, I feel a little bit rusty. I got to say, do you feel any more rust? Has it all come off?**

INBEE PARK: I think it's definitely come off now. I obviously love this west part of the swing and I've always played well in the west coast in Hawaii.

So it's just my favorite time of the year.

**Q. Right now Lydia in the lead by quite a few. I know you guys have a good relationship. What would a win**

**for Lydia here do you think mean to her this week?**

INBEE PARK: I think it's a great on her. She definitely had her really good times and she really definitely struggled in the middle there, and to come back strong like this is great to see.

I think it's going to get her a lot of confidence going into this season, and very important season, and so, yeah, if she pulls off this week, big congrats to her.
