Quick Quotes

Q. Here with Celine Boutier who had another solid round here today, 5-under 67. What was the difference today than maybe the last two days?

CELINE BOUTIER: You know, I don't feel like I played that much different to be honest. I feel like my game has been very solid. I just wasn't able to score very well the first day. Didn't make a birdie, so that didn't help.

Yesterday just made a little bit too many mistakes. But I did have like seven birdies yesterday and like six today, so just I think same amount of birdies just I feel like less mistakes maybe.

I also was able to take advantage of a little bit less windy conditions this morning the first few holes, so it was very nice to get off to a solid start.

Q. What's the key to the good scoring? Is it more ball striking and hitting it close, or is it putting?

CELINE BOUTIER: I think my ball striking has been very solid and I've been having a lot of birdie chances, which is nice to have.

Q. In the mix. Still some golf left to be played. Heading into the final round in the mix, what's the mindset?

CELINE BOUTIER: Honestly I just feel like I just got to focus on my game. I just feel like there is just so many things out there that you have to like filter out and just try to make the best decision every shot.

I just feel like it's, like you said, very early to even say what kind of position I'm in for tomorrow. I'm just going to try to shoot as low as I can.
