Quick Quotes

Q. Here with Brooke Henderson. Just evaluate the week.

BROOKE HENDERSON: You know, today wasn't the day I was looking for, but overall it was really solid. I saw a lot of good things in my game, which is exciting. Definitely some things I need to work on, too, so hopefully get those cleaned up the next few days before Chevron starts.

Overall, always love playing here in Hawai'i.

Q. What are some of the tweaks you'll be making ahead of Chevron, if you don't mind me asking?

BROOKE HENDERSON: Yeah, this course around here, it's a lot of wedges, so I think I need to sharpen those a little bit. So definitely some wedge work coming up, and major championships always require great putting.

Just a lot of short game practice, and hopefully continue the good things that I think week next week.

Q. Finally, obviously first time playing in Houston for Chevron. How excited are you to play there? Obviously got that second major last year at Evian. Heading into the first one of the season, just how excited are you to play that one?

BROOKE HENDERSON: Yeah, first major championship of year so it's really exciting. I think everyone is really trying to peak for next week, and being a new venue and a lot of things different about this championship that we've had for a long time, I think everyone is just extra motivated.

So hopefully I can match their energy and just go in strong.
