LOTTE
CHAMPIONSHIP
PRESENTED BY *Hoakalei*

Q. It's great to be alongside Jessica Porvasnik after that round of 65 today. Right there on the top of the leaderboard. Fantastic play. I think it's fair to say this season on the LPGA hasn't quite been as you would've wanted. What's been different over the first couple days here?

JESSICA PORVASNIK: Kind of honed in my equipment the last couple weeks and kind of figured it out. That's kind of what it is.

I just struck the ball really well and happy with where I am.

Q. What have you done with your equipment that's made the difference?

JESSICA PORVASNIK: We're chasing a little more spin and just trying ball, shaft, all this stuff, and kind of went back to what I was trying last year on the Epson Tour and it's been good.

Q. You battled a lot on the Epson Tour just to be out here on the LPGA. What have you learned from those battles that you're going to take into the weekend, which is a very important weekend for your career?

JESSICA PORVASNIK: I think it's to stay patient. Golf is a game and you just have to keep riding it out. That's kind of what I have done over the years since turning professional. (Indiscernible) just one shot at a time and stay very patient.
