Quick Quotes

Q. All right, joining me today after the second round of the LOTTE Championship is Pornanong Phatlum. Can you just talk to us about your first two rounds and what went well?

PORNANONG PHATLUM: First two round is went very solid for me. Yeah, I kind of very trust on my game right now and try to do like my best on course and focus. Everything just went so good, yeah.

Q. You played in the afternoon today versus the morning yesterday. Did you feel like that adjusted your course management at all?

PORNANONG PHATLUM: Yeah, yesterday was like very calm, not too much wind and like it's more like easy to play.

But this afternoon like the front nine very strong wind and I try to like focus on my game a lot. Like, yeah, because it's hard to get it close to the pin.

But on the back nine for today it's like very calm down for the wind and so make it more easier.
