Q. All right, joining me today after the third round of the LOTTE Championship is Brooke Matthews. Brooke, you're pretty solidly in contention right now. What does that feel like and are you able to leave that on the course when you leave at the end of the day?

BROOKE MATTHEWS: Yeah, it's cool. I don't know. I'm going to try leave it at the course. The reality is it's going to be something you're thinking about. Can't really trick yourself into saying you're not.

This is what we work for. Definitely going to be different out there tomorrow. I'm excited to get some reps in in contention. I don't know what's going to happen. I will either win or I won't win. Both are survivable outcomes. Just going look forward to having fun and keeping the pedal down and see what happens.

Q. Based on your stats it looks like putting has been going really well for you this week. Can you just talk about that?

BROOKE MATTHEWS: Yeah, I putted all right. I feel like most of my birdies have been because I've hit it close, and so that kind of helps the putting stats, too. Yeah, I felt pretty comfortable with my lines. Obviously you're not going to make everything, so just kind of, yeah, going to keep lining them up and see what happens.

Q. You've mentioned you feel like the wind is -- it's still gettable out here even with the wind. Today felt gustier. Did you still feel that way?

BROOKE MATTHEWS: Definitely. On our back nine today it was definitely more gusty. Couple pins were trickier. We got the clubs right for the most part. I was able to take advantage of the scoring on the front when there wasn't quite as much wind.

Yeah, it's still gettable, but it's definitely something you got to pay a little bit more attention to.
