Q. Here with Brooke Matthews who just signed her card for a round of 69 and in the hunt going into the final round tomorrow. You've kind of been trending in the right direction over the last month. What has changed in your game that has put you in this position for tomorrow's final day?

BROOKE MATTHEWS: Yeah, I'm not sure if much has changed. Getting a little bit more comfortable throughout the season. I feel like I've driven the ball well pretty much all year. I've kind of dialed in my wedges a little bit the last four, five weeks, and I feel like that's been the difference maker.

Q. And the emotions out there, being in the hunt in it an LPGA tournament, what surprised you and maybe what was what you expected it to feel like this that situation?

BROOKE MATTHEWS: Yeah, definitely it's a little different. Same sport. Once you're this your routine it's just kind of is what it is. Yeah, cameras are out there and everything. That's a little bit different. It's cool. It's kind of what we practice for.

I just enjoy it. Obviously it's a little bit stressful but that's kind of what we work for so I'm happy to be in that position.
