**Q. All right here with Peiyun after the final round of the LOTTE Championship. Looking at tie for fourth. Solid finish. What's your big takeaway from this week playing so well?**

PEIYUN CHIEN: You know, I always like to play in here, in Hawai'i. Always play well because I think it's feel like home, like my country, Taiwan. Green is grainy and always windy. You have to hit really well.

Yeah, I can only focus one shot at a time and I did very well this week.

**Q. You did very well. What was the strongest part of your game this week?**

PEIYUN CHIEN: I think it's putter. I always change putter, but this putter is really fix me. I think I will keep it longer as I can.

You know, first two days I really focus on my follow-through. Like I cannot decel. Just need to trust. So I did really well this week. I'm happy.

**Q. We're coming up to the end the season. How are you feeling as you go into the last few weeks and work to secure another year on the LPGA Tour?**

PEIYUN CHIEN: Yeah, you know, I always can play in Asia. I didn't realize I would miss Asia. This year I upset a lot. Need to work harder and a lot of new player, like are young, strong. So have to work hard are. Don't be lazy.

For sure my agent need a rest a lot.

**Q. You're not that old. So you're going to get rest and come back and play The ANNIKA. What's the goal?**

PEIYUN CHIEN: I will play LET tournament in Taiwan. I'm look forward. I think in Asia to America coast, the green speed is very important because our green is a little slow.
