HSBC Women's World Championship

Q. Can you take me through some of your favorite holes on the course and how you found them?

LEONA MAGUIRE: I don't know if I have a favorite, really. Not yet, anyway. No, I mean, it's tricky. One way or the other, I feel like I hit a couple shots in, got punished for them. Didn't hit that bad of a shot.

And, yeah, I mean, it's been hard to get some momentum on this golf course. I haven't given myself enough chances. I mean, it's not like the pins are (indiscernible) hard to get me in front of them. Didn't quite play my best, and it was just a bit of a slow day, really.

Q. And what sort of things do you think you'll do to prepare to going into the weekend?

LEONA MAGUIRE: Yeah, I mean, just more of the same, trying to hit my irons a little bit better, hole a few more putts and see how we go.

Q. And this is your -- is this your third tournament of the season?

LEONA MAGUIRE: Yeah.

Q. And so what goals do you have for this season, and what do you want to sort of take with you going into the rest of the tournaments?

LEONA MAGUIRE: Yeah, I mean, just to play consistent, try and get myself in contention as much as possible. I mean, take it one tournament at a time, really.
