Quick Quotes

Q. I know a painstaking wait for just those final few putts, but overall your last day here.

HANNAH GREEN: Yeah, no, super happy. Shot 4-under today. Wish I could have capitalized on the last hole, but I think with a little bit of a break kind of was hard with the delay.

But if you told me that I was going to come in the Top 10 at the start of the week I probably would've taken it. Seeing the forecast with the heat and the possible storms, I'm very happy.

Q. What is your schedule for the next couple events?

HANNAH GREEN: So I'm not playing Kingsmill. Going to have two weeks off in Orlando. Take a break in the golf for a little while and then I'll be playing match play through KPMG and hopefully going home to Australia.

Going to have to skip some events in order to go back, but with the Olympics this year I want to prioritize that.

So I'll be away for five weeks and come back for the end of the year and pretty much play everything.

Q. How much does this event leave with you a confidence boost? This is your third consecutive top three finish.

HANNAH GREEN: Yeah, no, I'm super happy to see how things are coming along. Nate and I feel like we're not far off, so pretty exciting. Hopefully I can keep peaking at the right events and hopefully have a trophy one day.
