### Quick Quotes

**Q. You had to wait and you had that one chip in there. Take me through 18.**

GABY LOPEZ: Yeah, I was actually glad that we had that break because I was a little mad after my second and third shot.

But I'm just happy that I got up and down from a very tough spot.

**Q. Just take me through the last four days here, and how confident do you feel in your play after a performance like this in Asia?**

GABY LOPEZ: Yeah, I feel super confident for the way I'm playing off the tee to the green. It's unfortunate. I probably had like eight three-putts this week. I just got to work a little bit more on the green and being able to hit the right stroke and the right speed, because I think the greens got faster on the weekend and I probably didn't notice it that much.

So I was hitting it too close, and when I had putts probably like 15 or 20 paces away I was a little off. So for sure it was really exciting week and for sure I'm happy with the way Alvaro, my coach, all my team around me are doing things fantastic.
