## Brooke Henderson

### Quick Quotes

#### Q. So how do you feel about your performance today?

BROOKE HENDERSON: I had a really great group today. We were really going low, especially on the front nine, so I was just trying to keep up with them at that point.

Then on back nine I was able to make a few more birdies, which was really nice. And unfortunately missed that eagle putt on the last.

That would've been great to finish the day with one more shot in my favor, but hopefully just go out tomorrow and birdie the first couple holes.

#### Q. Since speaking about your group, what was it like playing with Minjee and Carlota?

BROOKE HENDERSON: Yeah, it's a lot of fun playing with them. Like I said, they were playing so great that I was just trying to keep up. It was really fun because we were pushing each other to make a lot of birdies, and Minjee had an eagle.

Yeah, just a lot of fun out on the course.

#### Q. What's been your takeaway so far from these last three rounds?

BROOKE HENDERSON: I feel like I've been hitting the ball really well, which is nice. So far been able to make some putts, too, which is always a good feeling.

It's been so hot. I think today was the hottest I've ever been in my life, so just trying to adjust to that a little bit.

Brit, too. She's been doing a great job. Hopefully get a good rest tonight and go out tomorrow and have a good round.

#### Q. So what's your strategy going into tomorrow's round, the final round?

BROOKE HENDERSON: I think just keep doing what we're doing. Try to make a lot of birdies. Unless you're going really far under par, you know, you're kind of

getting left behind.

So just try to go out, hopefully have a good start, and hopefully it'll be a good day.
