## Lilia Vu

### Quick Quotes

**Q. Here with Lilia Vu. 6-under today, 66. Nice finish today. What was it, five birdies in like seven or eight holes?**

LILIA VU: Yeah, it was, yeah.

**Q. So walk me through that stretch there.**

LILIA VU: I think I didn't realize that I was playing pretty well until my 17th hole, which was hole No. 8 on the back nine. Yeah, I finished on the front nine.

So I had asked my caddie for my scorecard and I hadn't filled like seven holes and I was filling them in and I was like, whoa, did I birdie five holes already? I realized late. I basically didn't even know what I shot today until we were walking to the tent.

So I was just very focused and trying to just hit shots today. I felt like didn't really have the same -- like I wasn't very solid today. I was just trying to hit it on the green and try and make the putt basically.

**Q. First time playing this event, correct?**

LILIA VU: First time playing this event.

**Q. What did you think of the golf course today as somebody that hasn't seen it before? I know a lot of people that played it last year are noticing the differences because it's a little firmer.**

LILIA VU: Yeah, it's a little firmer. I noticed on some of the chips that I could hear the ball bounce. I like a firmer green so it's fun for me. I don't have to worry about the ball spinning off the green too much.

Yeah, having a good time. Just target golf out here.

**Q. What did you work on in the off-season?**

LILIA VU: A lot of low wedges. Last year I feel like I kind of lost a couple strokes from just like ripping wedges and ripping them off the green. I would land it right next to the hole, like divot is right next to the hole, and then it would be off the green and I would have to chip and lose a stroke there.

So worked on a low draw with wedges and they've been really helping me.

**Q. Anything mentally? I feel like you came really close a couple times last year. Really had a very, very solid year. Is there anything you really learned that you're going to carry into '23?**

LILIA VU: I think I ended my season pretty sour. I was really hard on myself in that I didn't meet all of my goals that I wanted to meet, and so it was really -- I mean, just looking back there is really no timeline. There is no time limit for me. I can -- just whenever it's going to work out it's going to work out.

So just play golf and have fun.

**Q. Did that today. Next three days just what are you thinking?**

LILIA VU: Just have a good time.
