Quick Quotes

Q. Take me through you say kind of losing steam on the back nine, but being able to birdie the last three coming in. Where that was energy from?

PATTY TAVATANAKIT: I feel like I didn't really get too ahead of myself in a sense. I'm just very like present, in the moment. I really enjoy playing in front of my fans this week. There were a lot of people out there watching and supporting, so I really appreciate that. If anything, it gave me a little bit of a boost.

Q. What was it like to see the crowds out here and kind of take in, especially after the success that you had last week?

PATTY TAVATANAKIT: Yeah, so, so great for golf in Thailand. It's only Thursday and there are heaps of people that came out to support all of us. Really happy to see that. The future of Thai golf is just getting started.
