Hae Ran Ryu

Quick Quotes

Q. Hae Ran, five straight birdies on the front nine. What was working so well at the beginning for you?

HAE RAN RYU: I think today is a first nine my shot is perfect. Yesterday I miss the short putt and after the round I'm able to practice my putt and after that, I have more the confidence for my putt.

I made it for the five birdie in a row I think.

Q. Overall how would you assess your final day here in Thailand?

HAE RAN RYU: I think almost perfect because I made it the eagle and then the seven birdies up there.

But I mistake for two bogeys, but I think almost perfect I think.

Q. And what do you take away from this week heading into Singapore?

HAE RAN RYU: These days I can made it the big score on the round but yesterday and then today I made the 68 and 65 and that's pretty good score up there. And I think I get lucky and I hope so it's still next week.
