## Jodi Ewart Shadoff

### Quick Quotes

**Q. Here with Jodi after her second round at the T-Mobile Match Play. Solid 4-under today. Talk about your round and posting that low score.**

JODI EWART SHADOFF: Yeah, got off to a really nice start. Took advantage of some really calm conditions on the front nine, so started off with a really nice birdie on No. 10.

Yeah, just sort of a golf course where you have to stay really patient. That's kind of what I did. I had a couple bogeys on my front nine and then just I had a really nice eagle coming up nine so that really helped.

Just kind of stayed steady on the back nine and held it together.

**Q. Talk about the eagle on 18 a little bit.**

JODI EWART SHADOFF: Yeah, I was just in the first cut and I was actually aiming for the right of the pin, trying to hit it in the middle of the green. Just tugged it a little bit and ended up six feet from the hole.

It worked out, so nice little 3 there from six feet so it was good.

**Q. How do you like this golf course? Do you feel like it suits your game in any way?**

JODI EWART SHADOFF: Yeah, you have to be a really good ball-striker, so it's definitely one of my strengths of my game, so it definitely plays to my advantage.

I think you just have to kind of take the opportunities when they come, and I just got on a little hot streak today with the putter which was really nice.

Kind of been struggling a little bit with putting over the past couple tournaments, so really nice to see them start going in again. That was really good for the confidence.

**Q. We've played this course before, just in match play. Playing in stroke play, how does that change the strategy on some holes maybe?**

JODI EWART SHADOFF: Definitely a lot different with the stroke play. You kind of feel like you have to be a little bit more defensive, kind of taking indirect lines to some of the pin locations.

So it's definitely a little different. Yeah, I mean, match play is definitely more exciting I think around here, so be interesting to see the weekend when we start playing match play.
