Q. Here with Leona Maguire who almost holed that to finish off the match. You get it done here at 15. How important was the start today? You were under par after the, what, first five holes I think.

LEONA MAGUIRE: This golf course is very demanding. It was nice to get my first par of the week on the second. I tried to just approach it like stroke play, as if today was round four of the tournament, and tried to play as well as I could.

I knew Mo had a lot of great momentum from her really great round yesterday in the playoff, so knew I was going to have to play some really good golf this morning to beat her.

Q. The wind switched today. How did the golf course change?

LEONA MAGUIRE: Yeah, it played tough. Those first few holes played long. It was really cold as well and the ball wasn't flying. Had to adapt and treat each hole as we got it.

Yeah, happy how I managed it.
