Q. I know things are not quite how you wanted them to turn out. Talk about your mentality going into this final match today and what you were going to potentially be up against going against the undisputed No. 1, Nelly Korda?

LEONA MAGUIRE: Obviously Nelly is the best player in the world right now probably male or female. She is playing unbelievable golf and I knew I was going to have to bring my A+ game if I was going to have a chance.

Just didn't putt well enough, and hats off to Nelly. She really didn't give me much of a chance. Yeah, it's very impressive what she's doing.

LEONA MAGUIRE: Yeah, I just wanted to keep Nelly on the golf course for as long as possible. I never give up. It's something that I never do. I try to fight until the very end.

Yeah, ultimately it wasn't good enough today. There is a lot of positives to take from the week, especially heading
