Quick Quotes

Q. Here with Nelly. Can you just summarize what match play means to you, what it brings out in you, especially the last couple days?

NELLY KORDA: Yeah, brings out a little bit more I guess head to head competitiveness in a sense that golf doesn't necessarily bring out unless you're in a playoff or whatnot. Just makes you a little bit more aggressive of a player.

Q. Any thoughts on heading into tomorrow? Mindset? Doing anything this in afternoon, evening?

NELLY KORDA: Trying to get some rest tonight and see where it takes me tomorrow.
