## Stephanie Kyriacou

### Quick Quotes

**Q. Okay, here with Steph Kyriacou after her third round victory here at T-Mobile Match Play. Got a little close there at the end. Finished with a tie to make it to the round of 16. Just talk about what you were thinking and feeling, especially in the last couple holes.**

STEPHANIE KYRIACOU: Yeah, I would say the start of the round it was pretty like standard. You know, score's even so you just go out there and try and play your best.

Then I didn't get off to a hot start, so that was a little bit stressful. It was quite early so I still had plenty of holes to go.

I would say quite up and down, 1-up, 1-down for a little bit in the middle there. Yeah, the end was a little bit more nerve-wracking obviously because I kind of knew where I stood, and if I squared or won I would've got through to the round of 16.

So there was a little bit more pressure, but I just tried to hit good shots. Some of them didn't come off, but I managed to get the job done.

**Q. What will you take away from your game from this match?**

STEPHANIE KYRIACOU: I think towards the start I was kind of focusing on what Auston was doing, so my caddie kind of pulled my head in a little bit and said, just play your game. Like it's good enough, blah, blah, blah. So I'm going to take that into tomorrow from the start.

**Q. And Nasa won her match today. I don't know if you had it in your mind if you would be headed to a playoff if you should lose that match. Were you thinking about that at all?**

STEPHANIE KYRIACOU: I knew it was a possibility, but it wasn't kind of in the front of my head. It was something that could happen. But, yeah, I wasn't stressed about that.

**Q. Looks like you're going to play A Lim Kim tomorrow who made it to the semifinals here last year.**

STEPHANIE KYRIACOU: Uh-huh.

**Q. Does it matter who you're playing at this point or just have to focus on your own game?**

STEPHANIE KYRIACOU: Yeah doesn't really matter I don't think. It's kind of who plays better on the day, which it's anyone's game out here.

I'm good mates with A Lim, so I think it'll be a fun day. Yeah, still going to try and beat her.
