## Sei Young Kim

### Quick Quotes

**Q. All right, here with Sei Young Kim at the T-Mobile Match Play; headed to the round of 16. We were just talking in the cart and you were like how Ronni was not easy; tough competitor.**

SEI YOUNG KIM: Yeah.

**Q. Talk about that a little bit be playing with her today.**

SEI YOUNG KIM: Yeah, I play with Ronni today. She's a young player and a great player also. We played together last year in the China, the final round, so I wanted to really chase her this week.

But we played quite solid round. Even I 2-up, like 1-up, she keep the like trying chase me, so very -- I was like keep the runway. Yeah, it was fun match today.

**Q. What would you take from your game specifically from today's match?**

SEI YOUNG KIM: I just watch competitors play, and then depends on how they competitor, the competitor result are keep changing. And this course is especially a lot of (indiscernible) and a lot of undulation, and if you miss wrong spot it's going to be like three-, four-putt easy.

So it's really important what other players result and then set it up my strategy.

**Q. I was going to say, a lot of players have come in saying they're playing their own game. It's interesting to hear you are reactive in that way. Is that something you think you've always been like that in match play?**

SEI YOUNG KIM: Because depends what golf course is it, because what if golf course is really soft and then we can attack the pin. Yeah, we just go for it.

But this week we need really smart play. If not, like going to like, yeah, bad result. We don't have to like too much aggressive this week especially.

**Q. They were saying on TV and you and Brooke are the only players that haven't trailed in a match all week. Is that because you're getting off to good starts?**

SEI YOUNG KIM: I mean, I think today my ball striking is a lot of help because a lot of left to right wind. So with my ball flight go through the wind, so it make the not bad situation.

So I think Brooke and me same ball flight look like it, so, yeah, it'll help this week.

**Q. And you made it pretty far last year as well. Something about Shadow Creek that you just really enjoy?**

SEI YOUNG KIM: Yeah, this is my -- when I play the pro-am the peoples ask me what's your favorite golf course and I'm always say Shadow Creek because this golf course is phenomenal. Yeah, when you walk the course, hole 9 it's beautiful view.

You need a lot skill though. I heard this golf course is really expensive for the player, yeah.
