Quick Quotes

Q. All right, here with Brooke Henderson; advancing to the round of 16 this weekend. Can you just talk to us a little bit about how your play was out there today, what you saw.

BROOKE HENDERSON: Yeah, sure. I had some really great breaks which was nice. I was 2-up through 9 thanks to those breaks. Unfortunately Jin Young wasn't feeling well. She's a really great friend of mine, so that made the match tough. Seeing her not be able to finish was tough. I hope she feels better soon.

Q. Talk about heading into the round of 16, if you change your strategy or any other thoughts heading into the weekend here.

BROOKE HENDERSON: I'm super excited to be in the round of 16 and playing the weekend here at this beautiful golf course. I feel like my form was really nice Wednesday, Thursday, so hoping to rekindle some of that that I had the last couple days. Excited to tee it up tomorrow morning.

Q. I guess you and Sei Young are the only ones who haven't trailed in a match all week. Does that elevate your confidence or it's a brand new day tomorrow?

BROOKE HENDERSON: Yeah, definitely a brand new day, but it is nice that I have been able to get off to relatively fast starts. And never being down, that's not a nice place to be in, so it's nice to always be ahead in your matches and keep pushing toward.

So I'm looking forward to tomorrow. Hopefully keep that streak going. Hopefully I won't be down at all tomorrow.

You know, with match play anything can happen and you have to be prepared for it all, so just trying to stay patient, stick to the game plan, and yeah, go out and try to have some good matches.

Q. Is there anything about those first couple holes that you really enjoy or suits your eye?

BROOKE HENDERSON: I don't know. It's a really tough golf course, so I feel like you have to be prepared for anything. I feel like trying to get off to a fast start has been a key for me the last few days, so just hopefully continue that and see if we can play the first front nine pretty well.

Q. Last question: You got a lot of magenta on, on your phone case. What it's been like being a T-Mobile ambassador at a T-Mobile event?

BROOKE HENDERSON: Yeah, to be a T-Mobile ambassador, to be a part of family, I'm really excited about that and to represent them out here this week and every week on Tour. They've done an incredible job here elevating women's golf and trying to make this event better and better for us every year.
