Quick Quotes

Q. Congratulations on a hard-fought match. What was that like playing hole after hole after hole? I know you have some familiarity with that, going on a long playoff in the past. What was that like today?

CELINE BOUTIER: Yeah, it was definitely tough, definitely a grind. I feel like we both played pretty steady and kind of went back and forth a lot. I had a few chances and she had a few chances, so it was just all the way until the end, but I'm glad it's over.

Q. Do you have the stamina to go another 18 or more?

CELINE BOUTIER: I don't really have a choice, so I'm just going to try to rest as much as I can for the next 30 minutes and be ready for the next match.
