Quick Quotes

Q. What a great first round here at Pure Silk. How do you feel after that amazing round with an eagle today?

LUNA SOBRON GALMES: I'm really happy. I play really good. In the last nine holes the wind come up so was a little bit difficult to know the clubs, but I'm very happy with my round and my game.

Q. And how about this course? How does it fit to your game?

LUNA SOBRON GALMES: I didn't see the score so I play my game and just that.

Q. The course conditions, is it dry? Firm? How is it playing?

LUNA SOBRON GALMES: Well this year is very firm. It's not -- the course is more brown, not more green. So I like the course. The greens are very fast so I like it.

Some holes are very tough, so...

Q. How about 15, the eagle, what happened?

LUNA SOBRON GALMES: Well, I play a driver a little bit to the right and then I hit 5-wood to the green, and then I made the putt like 15 meters for eagle, something like that.

Q. Are all parts of your game strong right now or is there anything really strong? Putting, chipping, or long game?

LUNA SOBRON GALMES: I'm very happy my driver is really good now. I'm hitting the ball more further than last year and I improved the putter, so it's everything.

Q. What's a goal for this week now that you have such a great first round?

LUNA SOBRON GALMES: Just enjoy and I'm happy to be here, so.

Q. And how about have you seen any text messages from family yet about your round today, or are you going to talk to your family after that?

LUNA SOBRON GALMES: Yeah, I'm going to talk with my father, who is my coach, and my sister and my mother.

Q. And how about just going into tomorrow, what is your goal for tomorrow?

LUNA SOBRON GALMES: I like to play in the morning, so feel the same, so no more.
