## Haeji Kang

### Quick Quotes

**Q. Haeji, what a great second round here at Pure Silk. How do you feel after that amazing round?**

HAEJI KANG: I feel pretty confident about my golf game, because I'm putting really well and I'm actually trying to take this round of golf little more aggressively so I can score a little better.

Yeah.

**Q. Would you say putting is what you've been working on or is there any other part of your game that you've been working on?**

HAEJI KANG: I been working with my coach on the long game as well, but I'm definitely getting better each tournament. And my putting wasn't working well last few events but it's starting to work well again, so it's great to feel that.

**Q. You had only one hiccup today on hole 10. Walk us through that hole.**

HAEJI KANG: On No. 10?

**Q. Yes, the double I think.**

HAEJI KANG: Well, I -- well, it wasn't a bad hole. It's just a bad putting that hole. I just three-putted from like I would say seven-footer, so it was kind of like -- wasn't feeling good.

**Q. Obviously that was an outlier, because the rest of your game yesterday and today has been really strong.**

HAEJI KANG: Uh-huh.

**Q. What's your goal for the next two days?**

HAEJI KANG: I think I should take the same mindset. I

just want to play aggressively to win this golf tournament instead of just playing safe.

So I'll just go and get it.

**Q. Last question is: How does it feel to be around so many fans? We've got up to 5,000 fans back this week.**

HAEJI KANG: Oh, is there?

**Q. Yeah.**

HAEJI KANG: I didn't know. It's obviously great to see people around the golf course. We get claps and shoutings, so hopefully we get more this weekend.
