## Mina Harigae

### Quick Quotes

**Q. Mina, a solid finish here at Pure Silk. How do you feel after this week?**

MINA HARIGAE: I feel pretty good about my game. I played well my U.S. Open qualifier, so it was nice to just kind of take that into this week. And, yeah, just another week to prepare, and I feel really good about my game.

**Q. What do you plan to do next week? Week off or just keep grinding?**

MINA HARIGAE: Not too much of a grind. I think just keep doing what I'm doing maybe. I think rest is really important because U.S. Open is quite the grind, so, yeah, a little bit of both.

**Q. Are you really excited about this year, the Olympics and Solheim and everything to fight for?**

MINA HARIGAE: Yeah, I mean, I'm really excited. It's nice that my game is rounding into form. Yeah, I'm just going to keep doing what I'm doing and just really just think about staying in the moment.

**Q. Last question, promise, about Pure Silk. The course conditions are so different I hear. How do you feel just being able to take that on?**

MINA HARIGAE: It was playing firm and fast. I really liked it. I think the tougher it is the better I play generally, and I think it was a great prep for the U.S. Open as well.
